

Arithmetic Operators

Operands: Values, Variables

Operators: (+ - * /)

```
let students= 100;
```

```
//addition
students = students + 1;
students += 1;
students++;
```

```
//subtraction
students = students - 1;
students -= 1;
students--;
```

```
//multiplication
students = students * 1;
students *= 2;
```

```
//division
students = students / 1;
students /= 2;
```

```
//exponents
students = students ** 2;
students **= 2;
```

```
//remainders
remainingStudents = students % 2;
students %= 2;
```

```
console.log(students);
```
